Durability	-
Plant Size	2-5 meters
Plant Growth	-
Autumn Color	Green
Request Light	Sun
Leaf Status	Evergreen
Leaf Color	Green
Flowering Period	-
Flower Color	White/Cream/Grey
Fruit Color	Red/Pink

Alocasia species are beautiful, magnificent plants having white strips on their green leaves. They are native in South-East Asia. Leaves like full sun. They are very sensitive and affected by severe air circulation, cold and frost. So they must kept from cold in winter time and are watered less. They grows slowly and can be reproduced by rhizomes.
